

HERSHEY GARDENS

TRIBUTE BENCH DONATION

A personalized bench donation to Hershey Gardens is a perfect way to honor a loved one. Set in a serene and beautiful environment, your bench will provide a lasting tribute for our visitors to enjoy over the years. This vital tradition of generosity also provides invaluable support for Hershey Gardens. Benches are refurbished every winter in order to ensure that they will be enjoyed by Gardens visitors for generations.

Our sturdy teak bench includes a personalized 3" x 5" bronze plaque. It should arrive at the Gardens approximately 4 - 6 weeks after the order is placed.

BENCH DONATION GUIDELINES:

Tax-deductible contributions. This program is designed to enable community residents and businesses to make a tax-deductible contribution. The bench donation does not entitle the donor to ownership of the particular donated bench. Complete funding for the donation must be processed before the bench and plaque are ordered.

Donation period. A donation period is ten years. If a bench is damaged or destroyed within one year of the dedication it will be replaced by Hershey Gardens.

End of period. After ten years, the donated bench will be available for renewal for the cost of a new donation with the first right of refusal given to the original donor. If the original donor chooses not to renew, the donated bench and plaque may be removed or rededicated at any time.

Relocation. Hershey Gardens retains the right to relocate a donated bench and plaque at any time. If a bench needs to be relocated, Hershey Gardens will attempt to contact the donor to discuss alternative locations. Hershey Gardens will make the final determination. Donors should always keep the Gardens apprised of changes of address.
